he is within you” goes a famous saying. Singing is, and has always been, an art possessed by everyone, but put on display very rarely. Everyone has it somewhere deep inside the heart to perform live on a stage in front of a roaring audience, and what does it require? Just a soulful voice and some guts to face the audience! The adagio of sargam, amalgamating the acoustics of feudal and modern music. For every musical soul, it’s an event to rejuvenate life with some of the scintillating monophonic performances by honey soothe voices from colleges all across the country. From sur of sa to rang of re, ladies and gentlemen put your hearts at piece and enjoy the alpana of great music.

So wake up, shrug off the lethargy and rock the stage with your exhilarating performances, if you think you have the fire within you! Aurora Idol is the best opportunity to debut into a different, unparalleled world. Come and emancipate yourself to the world of music because story of the life is quicker than the wink of an eye. Don’t miss the chance to rock the stage amidst thousands of people in an invigorating aura. Sing crazy and live crazy with Aurora Idol- the zenith for all the aspiring singers!
