ENSNARING THY SENSES...

## TREASURE HUNT

UNVEAL THE TRUTH

*“What is the most resilient parasite?  
Bacteria? A virus? An intestinal worm? It's  
the thrill of a chase. Resilient... highly  
contagious. Once the thrill has taken hold  
of the brain it's almost impossible to  
eradicate.” - Cobb, Inception*

*Loaded with a myriad challenges that will test your thinking and analytical skills to the limits, Treasure Hunt is coming to open the doors to a world of wonders that will keep amazing you at every stage till you finally reach and unlock the treasure!!!*

So you have decided to join the hunt?

Be cautioned, it is not meant for anybody but the strongest of will and sharpest of mind. The chase will consume you.

Treasure Hunt is a teaser if one falls prey to the ghastly mazes engulfing the nature of the game. It asks for pinnacle of present-mindedness as well as timely usage of one's wit. Just remember the fore-most mentioned mantra and it could just help you find your footing in the world of disguise and delusions. At the Treasure Hunt nothing comes easy, nothing comes itself. Only one thing to be done to one's physical and mental limitations - PUSH them. So, get ready for adrenaline rush.
