rooted in the Indian Tradition. It breaks the formal barriers and approaches the people directly in order to upon change for the good.

Does the illiteracy prevailing around prick you?? Have you been deeply influenced by the recent Swachh Bharat Abhiyan? Do you feel for the sexual harassment victims??

If yes, we provide you with the right opportunity to stage your voice; to raise your concern and let the world know. If there's a social message you want to spread, this is the place to be.

Street Play calls you to come and convey a social and political message in an engaging environment and make the junta dumbstruck giving inspiring performances.

With energy levels soaring sky high, the atmosphere electric and the arena as hot as a ball of fire... Groups of people calling out loud to assemble the crowd, screaming at their lungs' capacity and ably supported by the beats of the dhol and the banging of the lathis.
